Advertising Specifications

Please contact us with any file setup questions. 417.987.9062 or hilldesignco@gmail.com.

SPECIFICATIONS

Our magazines are printed on high-speed web presses.

All requirements are based on specifications for Web Offset Publications (SWOP).

We are a Macintosh-Format Computer to Plate (CTP) environment, using the Adobe Creative Suite 4. Adobe InDesign is the primary page layout program with support from Illustrator and Photoshop.

We can access CDs, DVDs and Flash Drives. We also have a ftp site for sending files, or can receive emailed files up to 10 MB. Please inquire with your account executive for details.

All ads must be set up for 4-color process, CMYK format. If a spot color is desired, special arrangements must be made and additional specifications provided before submitting materials. All Pantone color requests incur additional charges over the 4-color rate.

PREFERRED FILE FORMATS

PDF

We prefer press-ready PDF files—without crop marks—with fonts and all links embedded.

Please include an 1/8" bleed when needed on full page bleed ads. Images must be in CMYK format and at a resolution of 300 dpi at actual print size.

Export or Optimize PDF files with a Press Quality setting.

ACCEPTABLE NATIVE FILE FORMATS

Please include all fonts and high-resolution images with the native document.

All images must be in CMYK format and at a resolution of 300 dpi at actual print size.

InDesign Version CS5 and greater

Illustrator Version CS5 and greater

Photoshop Files must be correct resolution and size.
